CSPP worked in collaboration with CIE to monitor progress on the Strategic Plan and refine our list of comparator institutions. We worked with the Diversity Council to recommend a Campus Diversity Statement to the President. We hosted discussions with several cabinet members, including Sharon Blanton (VP for Information Technology), Curt Heuring (VP for Administration), Angela Lauer Chong (VP for Student Affairs), Jacqueline Taylor (VP and Provost) and Lloyd Ricketts (VP and Treasurer). CSPP reviewed fourteen proposals to advance the Strategic Plan in spring 2018 and recommended five to the President's office for funding in Fiscal Year 2019. We collected testimony on proposed changes to the Program Approval and Program Closure policies and made final recommendations on these policies to Steering. We have tabled until Fall 2018 our work on a new policy for the creation of centers and institutes. CSPP will hold its annual retreat on May 23, 2018.
