RE: Final Recommendation on Early Childhood Education and Elementary Education Dual Certificate Post-Baccalaureate Program Charge

DATE: May 22, 2020

Background and Charge:

Faculty members in the School of Education have developed a proposal for a new Post-Baccalaureate Program for a Dual Certification in Early Childhood Education and Elementary Education. Steering charged CAP to review the proposal and deliver a final recommendation that indicates concurrence or non-concurrence with the proposal.

Review: CAP reviewed the proposal materials and various signatures of the School Curriculum Committee, Dean, and relevant departments. CAP reached out via email to confirm the Department of Special Education approved the inclusion of their course, and included that confirmation email in our files.

Final Recommendation:

CAP determined that all affected units have been consulted and that dual certificate is consistent with the College's mission. CAP did not feel that further testimony was necessary and unanimously approved the proposed the Early Childhood Education and Elementary Education Dual Certification Post-Baccalaureate Program.
