

## MEMORANDUM

**TO:** Steering Committee  
**FROM:** Committee on Academic Programs (CAP)  
**RE:** Final Recommendation on Social Justice Minor  
**DATE:** May 4, 2020

**Background and Charge:**

Faculty members in the School of Humanities have developed a proposal for a new minor in Social Justice. Steering charged CAP to review the proposal and deliver a final recommendation that indicates concurrence or non-concurrence with the proposal.

**Review:** CAP reviewed the proposal and the corresponding paperwork and signatures. During our review, we identified several courses or initiatives outside of the School of Humanities that might align well with future collaborations of the minor; however, we felt that all relevant stakeholders had been consulted and the minor was appropriately housed in and prepared by the submitting faculty members.

**Final Recommendation:**

CAP unanimously approved the proposed the Social Justice minor.
