1. We approved the minutes from our 2/3/2021 meeting.
2. Tabitha updated us on the Community Learning Day Speakers:
Kim Noble is booked. She will receive \$5000 for the day plus travel.
We will not invite Charles Hunt due to the College's financial situation.
4. Dara purchased the movie Resilience. The plan is to use it for "watch parties" but we discussed the need for debriefing before and after the movie.
5. We discuss the possibility of organizing teach-ins. Presenters must be aware of triggers and have support for student workshops.
6. We created a timeline for programs on CLD.
Our Panelists are: Kim Noble, Kimme Carlos, Keri Alli, Carole Kumer, Roy Dean Johnson
The panel will be moderated by Dara and Liza Woods.
We will carefully organize and assign questions during the panel to make sure that everybody's voices are heard.
7. Additional program possibilities: Yoga, meditation, painting workshop
We have discussed the possibility of using the posted QR codes in the room as incentives for students to show up.
