1. **Review minutes from our March 8 and April 12 meetings:** These minutes were passed unanimously.
2. **Financial Sustainability - Presentation and discussion:** Steffen gave a brief presentation to the council based on slides from earlier open fora, focused on budget issues and headwinds to be expected in the next few years.
3. **Council Goals - discussion:** The council discussed our goals for the next academic year. Ideas included: the inclusion of regular budget updates to the council; instituting regular budget development messaging to CSPP from the council, developing a place for the council's feedback in the yearly budget development cycle, and a review by the council of the TCNJ 2027 budget priorities.
