- 1) Approved [09_18_2024 Minutes](#)
- 2) Discussed the proposed new Internships and Co-Ops Policy to send to the Committee on Academic Programs (CAP)
 - a) Responded to the following questions posed by CAP:
 - i) Is the policy overly prescriptive and maybe too complex or is the level of detail necessary to provide appropriate guidance?
 - ii) Is the policy flexible enough to be applicable to a variety of departments and programs?
 - iii) Would the policy conflict with any current degree/program requirements?
 - iv) We provided caps on the number of course unis/credits that can be applied to any degree program. Are these reasonable? Should these numbers be adjusted?
 - v) We provided minimum course prerequisites. Are these reasonable? Should these numbers be adjusted?
- 3) Discussed CAP's response to the MUSE (Mentored Undergraduate Summer Experience) Request For Proposals.
 - a) The council discussed the questions that CAP emailed to the Co-Directors of MUSE. Anthony Lau (Co-Director of MUSE) will go to the next CAP meeting and provide answers to CAP's questions.
