

Teacher Education Council Meeting
--

May 8, 2024

Agenda

1. Announcements

2. Policy Manual (Eileen)

- a. Revisions have been made with everyone's feedback taken into consideration.
 - i. Distance Waiver (aka Hardship Waiver). If you don't have a supervisor in that area, then you don't have to approve the distance waiver.
(Student application states that requested placements are not guaranteed)

3. Praxis II requirement for student teaching

- a. Students need to attempt their Praxis II in order to be approved for student teaching as well as to be certified in a state outside of New Jersey

4. Assessment Development with James Beyers

- a. Dr. Beyers will be the Dean's Fellow to be the point person for collecting data better
- b. By the end of June, 3-5 common items to be collected as well as content area items (# may vary per area)

- c. AAQEP is aware of our transition of us working on collecting data. They were aware that we were not up and running with data collections when we were approved with the accreditation
- d. Coordinators role in AAQEP annual report --- Linda Amerigo will be requesting information from multiple program on specific things from content areas and will submit it as one report to the State

5. Depositions Assessment

- a. What is our role on evaluating students on dispositions that we don't teach them?
 - i. What can we teach students about:
 - 1. Being on time
 - 2. Being respectful to co-op teacher's time
 - 3. Language used with adults (emails/texts)
 - 4. Introducing a new deposition each year and attach a grade to it – building up skills over the course of the years
 - a. Professional written communication
 - b. Taking imitative
 - b. Discussion about student teaching do's and don'ts
